Forecast For Highland & Eilean Siar
Issued by Met Office Aberdeen
at 0400 on Tuesday 16 Feb 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Spells of rain with gale force winds.

Today:
Windy with blustery showers, most frequent and heavy at times over northwest Highlands and Hebrides. Strong to gale force southwesterly winds with severe gales over the Outer Hebrides, easing a little during the afternoon. Maximum temperature 9 deg C (48 deg F).

Tonight:
A mainly dry night with clear spells as showers die out and winds ease. A patchy frost will develop. Wet and windy conditions spreading into the southwest later. Minimum temperature 1 deg C (34 deg F).

Wednesday:
A band of rain will quickly clear northeast early in the morning. A mainly dry day will follow with sunny spells. Isolated showers in the west. Mild and breezy. Maximum temperature 8 deg C (46 deg F).

Outlook for Thursday to Saturday:
A changeable few days with occasional spells of rain or showers but some brighter weather around too. Perhaps some hill snow on Thursday. It will be windy at times.
